Welcome Letter  
**THANKS!**  
72 Years in the Making!

**Please join us as an Exhibitor! August 16-18, 2024.**

The annual meeting of the Western Society of Periodontology (WSP) has become the premier collaboration of restorative dentistry, periodontics, and supportive maintenance (hygiene). These three pillars dictate predictable long-term treatment for our patients. Our successes are a direct result from our partnerships together in conjunction with our **valued corporate sponsors** like yourself.

We will share our meeting again with the **Academy of Microscope Enhanced Dentistry**. Our event will take place at the Grand Hyatt in downtown Denver, Colorado. We are bringing some of the brightest minds highlighting contemporary presentations to our select specialties.

On behalf of the Western Society of Periodontology, I am honored to serve as Meeting Chair and extend this warm invitation to exhibit at our conference. Our 72nd annual Scientific session! **Our members benefit from your presence and support, as well as being committed customers throughout the year.** Personal face-to-face interactions go a long way. Our members can connect with your representatives and continue to support those who support us. I always have enjoyed these relationship-building opportunities. I must personally thank you for your significant part to my rewarding career.

To assure you have an exhibit space please **sign up** at your earliest convenience. Exhibits are arranged in the area where attendees have their meals and refreshments. “Basic exhibitor” fees begin at \$3,500. Elevated **Titanium level sponsors will be prominently recognized** during the program. **Additional sponsorship opportunities** to bring recognition to your company include breakfast, breaks, lunch, a cocktail reception with a live band, and our silent auction. This year we will have a Periodontal Resident digital poster competition and corporate sponsor interaction will be available to give you additional exposure.

Our Executive Director, Todd Goldman, can be contacted at: 813.444.1014 or [tgoldman@wsperio.org](mailto:tgoldman@wsperio.org) if you need additional information.

We look forward to partnering with you in Denver.

# SINGLE DAY EVENTS FROM THE WSP... DON'T MISS OUT ON THESE!

Fourteen times or more a year the Western Society of Periodontology offers continuing dental education in their 14 western states and Canada that comprise their membership. Thousands of Periodontists, General Dentists, and Dental Hygienists attend these continuing education sessions. Educators are some of the top in the Dental field offering these practitioners the interdisciplinary education they seek out. Each of these events bring in anywhere from 75-250 dental professionals. The duration of these are either full or half days. The WSP offers you the ability to reach these important practitioners in a more intimate setting.
